

Socializing the disadvantaged in our ever changing community

## Socializing Innovation with Ease

At SIPP we take pride in making everything we do as uncomplicated as possible. That is why our goal in SIPP Health care services is focused on the disadvantaged. We are focused on keeping all our clients happy with continuous sense of social adaptability irrespective of age or disabilities

# SIPP HEALTH-CARE

- Senior Citizen Service
- Disability services

---

## Never consider yourself or loved ones disadvantaged again, SIPP is here to bridge the gap!

---

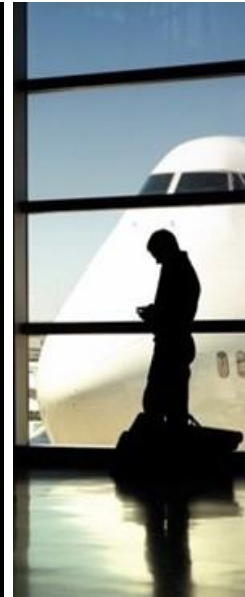

- Non-medical in-home care and elder companionship that could help seniors live independently at home
- Independent living in home care for disability

Find even more easy-to-use tools on the Insert tab, such as to add a hyperlink, insert a comment, or add automatic page numbering.

---

Traveling for a family event, to see love ones or for a vacation can be very stressful for anyone. For our senior citizen and disabilities community we help keep socialized even if we have to plan the trip and travel with them to their love ones or to help them experience a vacation, we are always there to help!

---

## Maintaining your lifestyle regardless of Age or Disability

---

When family members or friends aren't able to help the older adults they love, Home CARE Givers can. We offer all home care support services to help elderly or any disability 24/7 in locations across Washington, D.C., Maryland and Arlington VA. We also provide travel companions to anywhere worldwide

---

## What our clients saying!

---

*“Working and taking care of my elderly parent is overwhelming, thanks to SIPP I don't have to worry about anything”*

- Client

*I have never seen my mum so happy. She no longer feels guilty about being dependent on me again*

- Client
